SPA ETIKETTE

For a pleasant get-together ... from the right dress code to advance reservations. Here are a few tips for your visit to our **GesundKunft®-SPA Black Forest**.

Dresscode

The best way to relax is in our cuddly soft bathrobes, in which you are welcome to come to our treatments.

During massages, cosmetic and body treatments, your body is covered and only the part of your body being treated is exposed. You will receive a disposable brief from us.

Please always keep valuable items in your room/room safe.

The saunas are a textile-free zone. We ask that you only enter the sports, fitness and swimming areas in appropriate clothing.

Health & wellbeing

Your health is important to us. Please inform us of any intolerances, health restrictions or your pregnancy so that you can enjoy the full luxury of our treatments.

Make sure you drink enough fluids and do not eat heavy meals directly before the treatments and sauna. A soothing shower before the pool/sauna or treatment serves as a wonderfully relaxing introduction to our **GesundKunft®-SPA** experience.

Please note that children under the age of 16 do not have access to our **GesundKunft®-SPA**.

Families with children up to the age of 16 have the opportunity to use our **SchwimmsLand** pool from 10.00 am - 12.00 am and must always be accompanied by a parent or guardian.

Environmental awareness

Sustainability and respect for the environment are fundamental. Please only use as many bath towels as you need for your stay.

UnverzichtBar

Our **UnverzichtBar** is open for you daily from 11.00 am- 6.30 pm. You are welcome to enjoy our small delicacies and dishes from the snack menu in your bathrobe, slippers and sportswear.

Desired date

To secure your desired treatment, we recommend booking your **SPA** appointments before your visit. Of course, we will also try to make appointments at short notice.

You can get information about our current **SPA** offers in person at our **SPA** reception between 7.00 am and 8.00 pm or by telephone on 0761 13733-237 or by e-mail at spa@luisenhoehe-hotel.de.

Delay

It is not possible for us to extend treatments beyond the agreed date. If you arrive later than booked, your treatment time will be shortened accordingly.

We therefore ask you to arrive approx. 10 minutes before the start of your treatment so that you can fully enjoy your booked pampering time.

Cancellation

If you are unable to keep your appointment, out of consideration for other guests, we ask you to cancel up to 24 hours before your appointment.

Otherwise we will charge you the total costs.

Thank you for your understanding.

Special wishes

If you have any wishes or suggestions, you are welcome to contact your therapist directly with regard to the intensity of the massage, light, music or heat regulation.

Digital detoxing

You can consciously implement a „technology-free zone“ and quiet speaking with us.

Miscellaneous

We have a sufficient number of sun loungers and rest areas. We therefore ask you to avoid reserving them with towels or bags.

In order to achieve better relaxation in the sauna, we ask you to keep to the comfort zone of one towel width, as well as to use the bath towel as a base for your body and feet for hygienic reasons.

With this in mind, we wish you a relaxing stay in our **GesundKunft®-SPA Black Forest.**
